

Los Alamos New Year Holiday

Enjoy an unforgettable New Year's holiday at Los Alamos in beautiful Southern Spain. While the UK shivers in the winter cold, you can be exploring miles of open forest and long sandy beaches on wonderful, fit, forward going horses. Los Alamos is a small family run company that welcomes you into our warm, friendly environment. Our villa is set in its own grounds with private en-suite bed rooms, swimming pool and communal lounge with a large open fire. In the evening enjoy first rate fresh local food while reminiscing on a fabulous days riding.
